VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part II, line 1: Date listed was approximate date I became eligible to participate in the plan. The plan itself may have had different names due to firm name changes over the past 15 years. During 2014, all of my interests in the plan were distributed via tax-exempt rollovers into IRA accounts held at our brokerage. As of 12/31/14, I have no interest in the Kemp Jones & Coulthard Profit Sharing Plan, so I provide the information out of an abundance of caution for purposes of this 2014 financial disclosure.

Part VII, line 1: This item is related to the above notation. The first, larger rollover occurred on transaction on 6/30/14 (Value Code N) and the second occurred on 12/30/14 (Value Code L). These transactions did not result in any reportable income or taxes.

Part VII, line 2: Similar to the rollover of my profit sharing interests from a former employer's plan during 2014, my spouse took another position in 2014 and transferred all of his interests in the identified former employer's plan via tax-exempt rollover into IRA accounts held at our brokerage on 5/5/14 (Value Code L). As of 12/31/14, he holds no interests in the former employer's plan, so I provide the information out of an abundance of caution for purposes of this 2014 financial disclosure.

RESPONSE TO LETTER OF INQUIRY AND AMENDED REPORT INFORMATION

Part VII, line 65: The LKQ Corp stock holding was inadvertently listed with a (X) and income values uncompleted. Said holding appears at line 263 of the 2013 report. The holding has been updated with the applicable values in the amended report and response to letter of inquiry.

Part VII, lines 223: The letter of inquiry requests information on the Dollar Tree holding. The holding listed in the 2013 report at line 223 is actually listed at line 37 of the 2014 report. The holding is the same but was inadvertently listed with an "Inc." in documents from our family's investment advisors at Morgan Stanley Smith Barney.

Part VII, line 98: Responsive information for American International Group Inc. NEW stock holding included.

Part VII, line 100: Responsive information for Amgen Inc stock holding included.

Part VII, line 162: Responsive information for Facebook Inc stock holding included.

Part VII, lines 289-291: Responsive information for Guggenheim S&P 500 Pure Value stock fund holding included.
