VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII is now listed by account. As a result, multiple lines in the 2017 report correspond with single line items in the 2016 report. Additionally, some assets underwent name changes or were transferred between accounts. Where needed for clarity, corresponding line numbers of the 2016 report have been included in Column D(5).

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.
