VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Throughout Part VII, where column B1 is filled in, and column B2 is left blank, this indicates that the income in question is capital gain.

Part VII, line 5-Global Access Macro was fully redeemed on May 14, 2013. The amount was (O) and the gain was (E). I inadvertently failed to report this in my 2013 report.

Part VII, line 296-Ramius Multi-Strategy Fund Ltd. was erroneously identified on my 2013 FDR (line 309) as Ramius Lehman International SPV.

Part VII, line 168-SRZ Savings Plan-the investment in the SRZ Savings Plan is partly invested in the securities shown on the report and partially in the SRZ Group Trust.

Part VII, lines 172-175-the SRZ Cash Balance Plan, Thrift Plan and Partners Pension Plan are invested in the same manner as the SRZ Group Trust.

Part VII, lines 262-314 - SRZ Group Trust

With respect to the SRZ Group Trust Part VII, lines 262-314) and the SRZ Supplemental Retirement Fund (Part VII, Lines 176-258), these are retirement plans in which [REDACTED] has an interest, and which were established by the law firm of which [REDACTED] is a member. Each of these is an aggregate ownership arrangement, and therefore I have reported the gross value of [REDACTED] interest in each of these plans. Because [REDACTED] directs the investments for [REDACTED] share of the Supplemental Retirement Plan, and was in 2014 a member of the committee which oversees the investments of the SRZ Group Trust, I have also reported the assets within this aggregate ownership arrangement. From time to time, [REDACTED] interest in these aggregate ownership arrangements may be reallocated to different assets, either at [REDACTED] direction (in the case of the SRZ Supplemental Retirement Plan), or because the plan purchases or sells investments. I have reported these reallocations as purchases and sales, though they are not actually purchases or sales by him. There is no gain or loss to [REDACTED] resulting from these reallocations, and therefore I have left this column blank.

Part VII, lines 176-258 -SRZ Supplemental Retirement Fund- The assets identified as (y) were sold on 12/31/2013 and the proceeds reinvested on 1/2/2014 as indicated in subsequent entries.

Part VII, line 25- Fidelity Cash Fund is a money market account, used as a settlement account, that was opened in 2013, and was inadvertently not included in my 2013 report. As of year end 2013, it had a value code of J.

FINANCIAL DISCLOSURE REPORT
