VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

The CollegeBoundFund is invested in CBF Aggressive Growth 2202-04 ALT C and is not self-directed.

Lines 364 through 410 from the 2015 Report have been deleted as they were mistakenly duplicating the information for the IRA Account and the UTMA account.

In looking over last year's report, I realized that I listed investments in the Rollover IRA in the Traditional IRA by mistake. Therefore I have deleted all of the investments from the Traditional IRA that are and have always been in the Rollover IRA. Similarly, I included EV Global Macro ABS Ret C in the Rollover IRA and it is and has always been only in the Traditional IRA.
