Re: Calendar Year 2004 Filing

Dear Judge Lisi:

Thank you for your letter of June 23, 2005. Due to the number of deficiencies called to my attention, I have chosen to file an Amended Financial Disclosure report for 2004.

Enclosed are three copies of my Amended Financial Disclosure Report for 2004. The amended report corrects the deficiencies noted in your letter of June 23, 2005. In reviewing detailed records from brokerage firm that had not been reviewed previously, we discovered additional errors that have been corrected in this amended report.

Thank you for your assistance in this matter.

Very truly yours,

T. John Ward

VIII. ADDITIONAL INFORMATION OR EXPLANATIONS (Indicate part of Report.)

VII. INVESTMENTS AND TRUSTS

MSDW identifies Morgan Stanley Dean Witter.

Item No. 3: Buys were made monthly for first five months of reporting period. No buys or other transactions during reporting period.

Item Nos. 13 and 14: Undivided interest in real estate limited partnership. Filer cannot direct, influence or in any manner effect the purchase, exchange, sale, or disposition of the entity or property of entity.

Item Nos. 15, 25, 31 and 32 as shown on report for 2003 do not appear on this report because value does not meet threshold reporting value.

Item No. 37 describes an asset in IRA #1 that had been inadvertently omitted from filer's previous reports. This IRA was managed exclusively by Morgan Stanley. Filer discovered this oversight in reviewing detailed records furnished by stockbroker which filer reviewed in order to respond to the Committee's letter of June 23, 2005.

Item No. 84: Debtor is NE Territory Addition LLC identified in item number 13.

Item No. 85: Real estate investment; sole asset is undivided interest in limited partnership, Barrow Heath Clearwater Ltd., with real estate in Clearwater, Florida. Filer cannot direct, influence or in any manner effect the purchase, exchange, sale or disposition of Barrow Heath Clearwater Ltd. or its property.

Item No. 101 was not listed on previous report because income did not reach threshold value. Well reworked in 2004 resulting in increased income requiring disclosure.

Item Nos. 113, 114, 115 and 116: Funds attributable to filer's working interest in these wells is distributed to filer by Willow Springs Farmout Partnership (WSP). Filer is not a partner in WSP and has no capital account in WSP. Filer farmed out his working interest to WSP along with other working interest owners of leasehold estates in approximately December 1994.

Item Nos. 141-142 represent an oil and gas prospect that was drilled during the reporting period that proved non-productive. P&A indicates the well was plugged and abandoned. The date in Column D(2) is the date filer received notice of non-productive status.

Item No. 144 represents filer's working interest in a well drilled more than 10 years ago and which had been shut-in for more than 6 years. Filer had not received any income from well during previous reporting years and thus had not been previously disclosed.

In addition to assets noted in Part VII, filer owns a group of fractional mineral interests, no one of which exceeds the thresholds for reporting. However, in 2004 filer received a lump sum payment for several years of payments that had been suspended during litigation. While it is not clear whether the income attributable to any one well would exceed \$200, if the group were treated as a reportable asset, the income code in Column B would be "C" and described as "Royalty."

In Part VII, page 4, line 68 in filer's 2003 report, it lists "Working Interest - Flewellen #6, Gregg County, Texas" - such asset is not listed in the 2004 report. Due to reduction in income the asset is exempt from disclosure.

Item Nos. 13 and 14: Undivided interest in real estate limited partnership. Filer cannot direct, influence or in any manner effect the purchase, exchange, sale, or disposition of the entity or property of entity.

Item Nos. 15, 25, 31 and 32 as shown on report for 2003 do not appear on this report because value does not meet threshold reporting value.

Item No. 88: Debtor is NE Territory Addition LLC identified in item number 13.

Item No. 89: Real estate investment; sole asset is undivided interest in limited partnership, Barrow Heath Clearwater Ltd., with real estate in Clearwater, Florida. Filer cannot direct, influence or in any manner effect the purchase, exchange, sale or disposition of Barrow Heath Clearwater Ltd. or its property.

Item No. 105 was not listed on previous report because income did not reach threshold value. Well reworked in 2004 resulting in increased income requiring disclosure.

Item Nos. 117, 118, 119 and 120: Funds attributable to filer's working interest in these wells is distributed to filer by Willow Springs Farmout Partnership (WSP). Filer is not a partner in WSP and has no capital account in WSP. Filer farmed out his working interest to WSP along with other working interest owners of leasehold estates in approximately December 1994.

Item Nos. 145-146 represent an oil and gas prospect that was drilled during the reporting period that proved non-productive. P&A indicates the well was plugged and abandoned. The date in Column D(2) is the date filer received notice of non-productive status.

Item No. 148 represents filer's working interest in a well drilled more than 10 years ago and which had been shut-in for more than 6 years. Filer had not received any income from well during previous reporting years and thus had not been previously disclosed.

In addition to assets noted in Part VII, filer owns a group of fractional mineral interests, no one of which exceeds the thresholds for reporting. However, in 2004 filer received a lump sum payment for several years of payments that had been suspended during litigation. While it is not clear whether the income attributable to any one well would exceed \$200, if the group were treated as a reportable asset, the income code in Column B would be "C" and described as "Royalty."
