VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII of this report has been reorganized so that holdings are grouped by account. In addition, names of holdings have been updated, clarified, and expanded in order to provide more precise descriptions. For clarity and ease of review, cross references to the corresponding 2016 line numbers are included in Column D(5) of this report. These annotations further address duplicate and overlapping entries between the current and prior report.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.

Part VII, lines 4 and 58 of the 2016 report should have reflected partial dispositions.

Part VII, lines 10, 29, 35, 42, and 45 of the 2016 report are not reportable in 2017. (Y)
