VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Section I, Line 1: I am the president and a director of J.A. "Bert" Eggleston Farms, Inc., a closely held Oregon corporation. The company's stock is entirely owned by me and my siblings. I accept no fees for my work as an officer or director of the corporation.

Section VII, Line 2: The 2014 Report, Section VII, Line 2, listed an Idaho Housing and Finance revenue bond and stated it was redeemed in part on 1/1/14 for a "J" value and an "A" gain code. It should have stated in Column D that the bond was redeemed in full on 1/1/14 for a "J" value and an "A" gain code. Because it was redeemed on the first day of 2014 there was no corresponding income to report in Column B, nor was there a value to report in Column C at the end of the 2014 reporting period. Because the bond was redeemed in 2014, it is not included on the 2015 Report. I ask that this notation be considered an amendment to the 2014 Report.

Section VII, Line 35: The value reported for this stock I hold for the benefit of my children decreased from a "K" to a "J" value, with no corresponding transaction in Column D, because I no longer hold a controlling interest for one of my older children. I now hold only the controlling interest for my minor child and that amount is in the "J" category.

Section VII, Line 41: This investment was reported in 2008, 2009, and 2010. On the 2010 Report it appeared at Section VII, Line 19. It was removed as a separate entry from the 2011 Report and included in Brokerage Account #1 at Line 10, with an explanation in Section VIII of the 2011 Report stating: "This holding was listed on Line 19 of the 2010 Report but was transferred into Brokerage Account [#1] before it was sold." That entry was incorrect. This separate holding of JP Morgan common stock, appearing on Line 19 of the 2010 Report, was not transferred into a brokerage account but instead was held separately and continuously from 2010 through the present day. Accordingly, it is now included on Line 41 of the 2015 Report as a separate holding, but does not have a corresponding purchase date because it was purchased before my first financial disclosure report was filed in 2008. This stock should have been included as a separate holding in the 2011, 2012, 2013, and 2014 reports, with each year stating in Column B a dividend with an "A" amount, and listing in Column C a "J" value based on a "T" methodology. I ask that this explanation be considered a formal amendment to the 2011, 2012, 2013, and 2014 reports to correct this error.
