VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

As to Part I, this is reported as Trust #2. A previously disclosed Trust #1 ended as reported in prior disclosures.

As to Part VII, the University of Kentucky Federal Credit Union account fell below the reportable threshold.

(X/Y) As to Part VII, and per the letter of inquiry, the ML Healthcare A and ML Health Science Opps entries refer to the same fund and account. The account originated as a Merrill Lynch fund and has been the same fund/account through the account history. At some point, there was a fund reorganization, involving a merger between ML and BlackRock, that relabelled the fund Health Science Opps rather than Healthcare A. I just noticed and included the nomenclature change with the 2016 report, but the account and fund are the same and have been held and reported as such throughout.
