VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

VII. Investments and Trusts: 1. New York State Employees Retirement System: Defined Benefit Pension Plan of prior employer (New York State) was listed in prior annual disclosure filings as an asset valued in excess of \$5,000 due to filer's ability to withdraw the cash value of filer's plan contributions prior to filer's receipt of pension benefits. Filer became eligible to receive and did receive pension benefit distributions beginning in 2012 and as such, the filer no longer may make any such withdrawal. As such, per the Filing Instructions for Part VII at pp. 52-53 (issued January 2013) regarding "a previously reported asset that becomes unreportable without a corresponding reportable transaction," the asset is described in column A with "(Y)", columns B-D are left blank, and this explanatory note is provided. In addition, the gross value of the benefit distributions received in this filing year are reported as Non-Investment Income in Part III-A of this report, and the Agreement with regard to benefit distributions has been, is, and will continue to be reported in Part II of this report. This asset will be deleted from Part VII in subsequent filing years.
