VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Section I; Line 1: I am the president and a director of J.A. "Bert" Eggleston Farms, Inc., a closely held Oregon corporation. I have been an officer and director for over 20 years. The stock of the company is entirely owned [REDACTED]. I accept no fees for my work as an officer or director of the corporation.

Section II; Line 1: The "Hawley Troxell Ennis & Hawley Retirement Plan" is a plan in which my interest was indirect and has a large number of participants who cannot direct their investments, other than to select level of risk. I had no control over any part of the plan. It qualifies as a "common investment" fund. All assets from this fund were transferred directly into Brokerage Account #5 (an IRA) in April of 2011. At the time of the filing of this report, I no longer hold any interest in this plan.

Section VII; Line 4: The Idaho Housing and Finance Bond was listed on Line 33 of the 2010 report. This bond has been transferred to Brokerage Account #1.

Section VII; Line 8: This holding was listed on Line 26 of the 2010 report, but was transferred into Brokerage Account #1 before it was sold.

Section VII; Line 9: This holding was listed separately from Brokerage Account #1 in the 2010 report on Line 20 of Section VII and was transferred into Brokerage Account #1 before it was sold.

Section VII; Line 10: This holding was listed on Line 19 of the 2010 report but was transferred into Brokerage Account #5 before it was sold.

Section VII; Line 66: This retirement account was rolled over directly into an IRA account, the holdings of which are now listed in Brokerage Account #5 (starting at Line 101).

Section VII; Lines 63-67: These items were listed on Lines 10-14 of the 2010 report.

Section VII; Line 68: This savings bond was inadvertently omitted from 2010 report.

Section VII; Line 71: This line reports dividends earned in Brokerage Account #1. In 2011 I switched the brokerage handling the assets in that account. There were no reportable dividends from that account in 2010.

Section VII; Line 156: Some of the holdings in Brokerage Account #6 were listed separately in the 2010 report, before they were consolidated in this brokerage account.

Section VII; Lines 157, 160-162: The Boise State University Revenue Bond and the funds listed on these lines (CAIBX, PUK+, and SLA), were in a brokerage account held by J.A. "Bert" Eggleston Farms, Inc (listed in this report as Brokerage Account #6). That account previously had reinvestment trading activity only, prior to a change in brokerages that occurred in 2011, and those particular assets were inadvertently overlooked when preparing the 2010 report.
