VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII: Regarding the IRA accounts: (1) As in past years, reinvestments of income into the same fund are not listed as transactions. (2) Some Assets appear more than once, because there was more than one transaction in that asset during 2016. I have listed income and value codes as of the end of the year only on the line which recorded the last transaction in that asset. This is consistent with the instructions in Updates for Calendar Year 2016 Reports which say that "Each asset included in Part VII must have values of income and ending values listed individually in Columns B and C. " (3) The computer program does not have a provision for "Name Change," so I have used "Spinoff" as a proxy for "Name Change."
