VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

II. AGREEMENTS (Cont'd).

At least for the foreseeable future, I decided to continue to have certain of the amounts I had accumulated in the HR 10 Plan, which is sponsored by SAB of which I was a partner through September 30, 1992, and which is an independently managed, fully funded, defined contribution plan that allows for self-directed investments, to be managed by the advisor retained by SAB. In July 2000, I rolled over into an IRA at Morgan Stanley the balance of those amounts. In 2007, I rolled over my Morgan Stanley IRA accounts into IRA accounts at UBS Financial Services, Inc. (UBS). In 2014, I rolled over my UBS IRA into IRA accounts at Merrill Lynch (ML). In 2017, I rolled over the entire amount in the HR 10 Plan to IRA accounts at ML.

I have a vested interest in the Sutherland, Asbill & Brennan Defined Benefit Plan for Partners and Nonlegal Personnel. The benefit I am entitled to receive under that plan is an annual income on a straight-line basis of \$6,782.15 per year, commencing at normal retirement age of 65 and which became effective as of 1/1/09. Annual amount is paid equally over 12 months. Pursuant to the terms of the plan, I was not entitled to a lump-sum payout when I withdrew as a partner from SAB effective October 1, 1992, because, as a relatively new plan, the benefits to the participants of the plan were not fully funded. The plan provides that pension payments were to begin automatically after I attained the normal retirement age of 65. The amount of the pension payments are in no way affected by the profitability of SAB or by the performance of the trust fund. If the trustee of the plan were to realize a better or a worse investment rate than assumed in the actuarial calculations for the plan, SAB either would contribute less or more to provide the defined benefit of all participants. The plan may be terminated either because of a change in the law or a decision by the partners of SAB to discontinue this benefit. In the event of plan termination, ERISA provides very specific rules for the allocation of plan assets among participants, with those who have already retired being given fully funded benefits first. If SAB were not able to provide all benefits, the Pension Benefit Guaranty Corporation would pick up the liability for any shortfall up to the benefit levels insured by that agency. It is my understanding that, except in that unlikely event, my benefit under the plan is a fixed amount.

VII. INVESTMENTS AND TRUSTS

P.4, line 11

I failed to include in my 2016 Financial Disclosure Report that only part, not all, of Host Hotels and Resorts Inc. was sold in 2016.

P. 5, line 32

In 2012 Lehman Bros. Holdings, Inc., commenced bankruptcy proceedings, its stock was canceled, and its stockholders received proportionate beneficial interests in or rights to the Lehman Bros Holdings, Inc., plan trust. Although I placed a yearend value in my 2012 financial disclosure report on my interest in or right to that plan trust, upon reflection I believe that a value really was not ascertainable for that interest or right at the end of 2012, 2013, 2014, 2015, 2016, or 2017 because of the uncertainties involved in the bankruptcy proceedings. Nonetheless, I indicated that the value code is J, i.e., "\$15,000 or less".

P. 6, lines 46 and 47

Dow Chemical and DuPont E I de Nemours merged and the new company name is DowDupont, Inc.
