VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part I -- Estate identified in Part I does not hold any reportable assets.

Part VII -- Shearman & Sterling HR 10 -- The reports that I receive on this account do not provide a break down of the income attributable to the assets in the fund. I attempted to get that information but was unable to obtain it. I was advised that over the course of the reporting period, the fund lost value. That said, I understand that for purposes of this report, there is a distinction between income and value. Again, I was not able to obtain the information.

Part VII, lines 66, 67 -- I held the Brentwood and Lloyds investments during my initial reporting period. They were sold prior to the close of that period and I erroneously failed to include them in my initial report. I apologize for that error. Please accept this as an amendment to my initial report.
