VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

1. (Part III.A): I have received the approval of the Chief Judge of the Seventh Circuit to teach at the University of Chicago. This income therefore is "outside earned income" rather than an "honorarium" within the meaning of the Ethics Reform Act of 1989. I accepted gross income exceeding the statutory cap (15% of Level II of the Executive Schedule) because, under §3(b) of the regulations of the Judicial Conference implementing this statute, "outside earned income" includes only net taxable income, and therefore excludes pension contributions as well as the "ordinary and necessary expenses paid or incurred in producing this income." Some of the income reported in Part III.A was contributed to a pension plan through the University of Chicago as part of a salary reduction plan and therefore does not count for statutory purposes. Moreover, the ordinary and necessary expenses of producing the income—including the cost of commuting between the courthouse and the Law School and the expenses of equipment and books for my Law School office—are substantial. Net taxable income is less than the statutory maximum.

2. (Part V): The Union League Club of Chicago extends to federal judges the ability to use the Club's facilities without formal membership. During 2014 judges paid dues of \$103 per month during January through June and \$110.50 per month from July through December. Judges pay for all meals and other services at the same price as members. The Committee on Codes of Conduct has concluded (Opinion 2071) that this arrangement does not entail a gift element.

3. (Part VII): Investments reported under the headings PacifiCorp K Plus Employee Savings Plan, The Pacific Financial Group (IRA administered by Charles Schwab), Deutsche Asset & Wealth Management CROCI International Fund S, E*Trade Financial Sweeps Account (money-market fund), and Morgan Stanley IRA are retirement accounts that belong to my wife.

4. (Part VII): Dividends and capital gains from all mutual funds listed in Part VII are reinvested automatically.

5. (Part VII): Information formerly in this note has been moved to line items in Part VII at the request of the Committee on Financial Disclosure.

6. (Part VII): Income from my TIAA-CREF retirement accounts, and my wife's PacifiCorp K Plus Employee Savings Plan accounts, is shown as "none" because TIAA-CREF and PacifiCorp do not supply income information. Statements from TIAA-CREF and PacifiCorp show the change in each portfolio's value over the course of each quarter but not how much of that change is attributable to income (interest or dividends) and how much to change in the market price of the investments. It is accordingly impossible to disentangle these components.
