VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Although not required, I am reporting the following: I own a 1.1% limited partnership interest in Mt. Blue Ltd. Partners which owns a 2.73% interest in another entity, the Shopping Center Partnership. I did not report this interest until 2010r because, during my entire tenure, it has never had a value of \$1,000 or more.

In other words, there has not been a secondary market for my interest at any time during my service as a District Judge. However, it carries the potential for a tax liability (the amount of which and timing I cannot predict). Although I am not obligated to report this interest as an asset, I am continuing to report it in an abundance of caution because under the current economic conditions, I am concerned that some tax liability could arise in connection with the interest. It should be noted, however, that I have no information from the general partner and no information regarding the partnership from any other source that suggests any current tax liability exposure; I am relying simply on my knowledge of current economic conditions, my understanding of the tax liabilities that can be associated with limited partnership interests generally and my knowledge of the history of these entities.

In preparing this report, I discovered errors in Part VII of my calendar year 2011 report as follows:

1. In my 2011 Report, I reported at Part VII, Line 9 the sale of Arizona School Board Series A bonds. This was incorrect. Instead, I intended to report the sale of the Thurston County, Washington Revenue bonds that appear immediately above at Line 8. Therefore, Line 8 should have reflected that the Thurston County, Washington Revenue bonds matured on 12/1/11, at a Value Code of "L" and a Gain Code of "A."
2. In my 2011 Report, Section VII, I omitted to report my acquisition of Palm Beach County School Board Bonds. Those bonds are reported at Section VII, Line 29 of the current report. Those bonds were purchased on 6/27/11 at a Value Code of "K," Value Method Code "T," and income from these bonds during 2011 was Amount Code "A."
