VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

In Part VII, on lines 4-6 and 8-10, I listed three Fidelity 401K investments as "Open" and three as "Closed," in the Transactions section. These transactions all involve a change in 401k allocation for those holdings in my 401k, which are listed in my 401k statement as an "exchange." I have no recollection of specifically making any changes to my asset allocation. Based on my review of the Fidelity account, I believe that those exchanges occurred because the plan no longer includes the assets that I had previously chosen, and thus the funds invested in those "closed" funds were automatically rolled over into the equivalent investment holdings then available under the plan. None of the three "closed" funds are listed as currently available investment options for this 401k. The value listed is the value of my investment in those assets on the date of the exchange.

In Part VII, on lines 15 & 16, the Transactions listed reflect the transfer of money from a traditional IRA into a Roth IRA. I selected "distributed (part)" and "spinoff" for the nature of those transactions because those were the closest descriptive terms that I found among the available options.
