VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part III reflects Non-Investment Income. The funds identified in this section of the report reflect fees earned while I was in private practice and which were not disbursed until 2015. My firm specialized in plaintiff's product liability litigation. Accordingly, all fee agreements provided for contingency fees. My firm consisted of two partners, myself being one, and my former partner and I had operated under a verbal agreement regarding the distribution fees earned during the course of our partnership. Fees paid to me by the firm represent my quantum meruit contribution to cases in litigation before I departed the firm but which settled after my departure.
