VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Items 52-75 of Part VII - include a variety of "income" sources for a marital deduction trust and a family corporation -- Both entities have received income from a variety of sources, including interest, dividends, rent and other distributions. Because I am aggregating the income for each of these entities, I have not separately identified the source of income for each asset. I am happy to provide this information, if that is necessary.

Item 14, 22, 24, 30 - (2011) I inadvertently listed these shares (DWS Dreman Samll Cap Val. A, GE Capital Financial In Holladay CD, and Ishares TR NYSD Composite FD Common) as "sold" in 2010, when in fact we still retained them. Therefore, I have relisted them as assets and I amend my 2010 statement to reflect the same.

I became the executor [REDACTED] in 2011. Most of the assets have now been distributed. These assets are listed in Lines 77 - 84.
