VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, Line 9: The Nationwide Insurance IRA is a Variable Annuity Contract which does not yield income such as dividends or interest. The investment is a purchase of "units" of accounts which are in turn invested in mutual funds. The number of units purchased remains essentially the same (slight deductions are taken annually for administrative fees), but the value of each unit increases or decreases with fluctuations in the mutual funds markets.

Part VII, Line 17: The mutual fund listed here is the same as the Smith Barney Aggressive Growth Fund listed in previous reports; the change is one in name only.

Part VII, Line 22: The Education Savings Plan #1 operates under the name Scholar's Edge and is offered by The Education Trust Board of New Mexico. It is an Internal Revenue Code Section 529 Trust, serving as an investment vehicle to provide for higher education expenses [REDACTED]. The monies invested (known as contributions) are used to purchase units in various investment portfolios which in turn invest in mutual funds or other investment instruments. The value of each unit increases or decreases with fluctuations in the value of the mutual funds or other investment instruments in which the investment portfolio is invested. No income is received by, and no distributions are made to, the investors except that the investors may redeem units to pay for the educational expenses of the children for whose benefit the investment contributions are made.

Part VII, Line 23: The portfolio listed here is the same as the Aggressive Portfolio listed in previous reports; the change is one in name only.
