VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Line 166. BSX was sold w/i the Interactive Brokers account as noted. It should have been reported in 2010, 2011, and 2012, with a cost valuation code J; there have been no dividends.

Line 98. Lines 94-101 reflect investments in an education account. I erred in including CWH+D in my original report for CY 2013, which was carried over from earlier reports. This report is now blank for that line. Indeed, this account never had CWH+D. The earlier reports should have shown CHK+D instead of CWH+D; the rest of the line item reporting is correct for CHK+D, even though labeled CWH+D (income and valuation are the minimum reporting values). I correctly added CHK+D on line 101 in my original report for CY 2013, but I did not notice that I should have deleted CWH+D.
