VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII: The Nationwide Insurance IRA is a Variable Annuity Contract which does not yield income such as dividends or interest. The investment is a purchase of "units" of accounts which are in turn invested in mutual funds. The number of units purchased remains essentially the same (slight deductions are taken annually for administrative fees), but the value of each unit increases or decreases with fluctuations in the mutual funds markets.

Part VII: In February, the shares held by the Citibank IRA were converted from the Legg Mason ClearBridge Equity Income Builder Fund to the Legg Mason ClearBridge Capital and Income Fund. The number of shares and the value of the account were unaffected by the conversion.

Part VII: The Education Savings Plan #1 is an Internal Revenue Code Section 529 Trust administered by a partnership of nationally recognized financial institutions. It is an investment vehicle to provide for higher education expenses [REDACTED]. The monies invested (known as contributions) are used to purchase units in various investment portfolios which in turn invest in mutual funds or other investment instruments. The value of each unit increases or decreases with fluctuations in the value of the mutual funds or other investment instruments in which the investment portfolio is invested. No income is received by, and no distributions are made to, the investors except that the investors may redeem units to pay for the educational expenses [REDACTED] for whose benefit the investment contributions are made.

Part VII: All of the sales noted with respect to the Education Savings Plan #1 constituted withdrawals that were used to pay college expenses for one of the beneficiaries of the plan.
