VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, lines 201-206: These are restricted stock units earned as part of an employer-based compensation package. These options were sold as soon as they were earned. As a result, there are no reportable transactions to account for recurring ownership, nor is there an ending value.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.
