VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

1. Part VII, line 2. In April 2018, Marathon Petroleum Corp. entered into a merger agreement with Andeavor to acquire all of Andeavor's outstanding shares and completed acquisition of the shares between 10/4/2018 and 10/10/2018.
2. Part VII, line 63 (Bridge Debt II International Funds). I have corrected the name of the fund to Bridge Debt II International Funds. An additional capital call in 2018 was made on 2/27/2017, as reported. The amount reported for distributions reflect the aggregate amount of three distributions of income made in 2018 through 10/17/2018.
3. Part VII, line 64 (Bridge Office I International Funds). The Bridge Office International Funds is a real estate investment partnership run by Bridge Investment Group Funds. A second capital call was made on 9/14/2018, in addition to the call reported as a purchase on 7/12/2018. The amounts reported reflect the aggregate amount of the two capital calls made in 2018 through 10/17/2018, and as well as the aggregate amount of two distributions of income.
4. Part VII, line 66 (Nanox Imaging Ltd.) As previously reported, interests in Nanox are held in three separate brokerage accounts, two of which are for separate trusts. The amount reported is for the combined value of the investments based on the amount of the investment.
5. Part VII, lines 88-100. These are mutual funds held in a college savings plan administered by American Funds. In July 2017, there were partial sales of each of these funds pro rata of approximately \$28,000 in the aggregate. The reported amount is the value of the sales and gains for each fund. All of the individual sale transactions involved amounts within value code "J." The gains were determined based on the total contributions made at the time of sale, rather than on a FIFO method, because the contributions into the funds have been made over an extended period of time.
6. Part VII, lines 89, 92, 95, 97. As discussed in the report of 5/30/2018, these mutual funds held in a college savings plan are Class C funds which, pursuant to a policy of American Funds, automatically convert into Class A funds before their 10th anniversary. These four funds converted into class A funds in January 2018. I have categorized the conversion of all of these Class C to Class A funds as having been merged into the corresponding Class A funds reported on lines 88, 91, 94 and 96, respectively.
7. Part VII, line 131. (Wellsense, Inc.) As previously reported, interests are held in three separate brokerage accounts, two of which are for separate trusts. The amounts reported are for the combined values of the investments.
