VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part I -

Line 2 - LMM Legacy Trust is a family trust that holds investment accounts that are reported in Part VII.

Line 3 - Knubble Trust owns an interest in non-income producing undeveloped family land

Line 4 - BeeHive Realty Trust owns non-income producing family home

Line 5 - CM Trust see Part VII, Line 69

Part VII-

Reinvested Dividends are reflected as income and in the total value.

Lines 22 and 23 reflect some sort of a division of Hartford High Yield Bonds into "A" (HAHAX) and "C" (HAHCX) classes in 2018. This appeared on my 2018 statements and was not initiated in any way by me.

Line 68 - C&M Grantor Trust - I understand that this grantor trust (related to the windown agreement referenced in Part II, Line 1) had no assets as of 12/31/16, but could be further funded in relation to the winddown.

Other:

██████ has informed me that she is or will be the trustee of estate planning trusts for ██████. She has also been named in trusts and on bank and investment accounts as a beneficiary who may receive money or assets if at the time of ██████ death at some point in the future funds remain after costs of support, maintenance and medical expenses are paid during ██████ lifetime and ██████ estate planning has not been changed. She is also acting under a power of attorney and health care proxy for ██████, but is not managing investments in any accounts.
