VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part I, lines 1-4 and 6: Positions ended during this reporting period.

Part VII, line 4: Tax deferred plan owned and maintained by the filer's former employer. The filer has no right to control this account and does not have individual ownership of assets within the plan; participation in the plan equates a unit value investment, as income is not individually allocated, per pages 39 and 42 of the filing instructions.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.
