VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

The value for the LLC listed on line 2 is the cost of the interest in the LLC when obtained just prior to the purchase of the shopping center in August 2006.

The Metropolitan Life money market account on line 3 is a settlement option for a life insurance policy. It has no assets selected by or reported to the policyholder.

If a mutual fund was traded more than once during the year, the mutual fund is listed on multiple lines. (See e.g. lines 10-11 (listing two sales of Fidelity Select Insurance). If a mutual fund is listed on multiple lines, the income during the reporting period (Column B) and gross value at the end of the reporting period (Column C) is reported on the first line for that mutual fund only. To avoid overstating income and value, columns B status "none" and column C is left blank for all subsequent lines on which the same mutual funds appears. See lines 11, 16, 19, 21, 24, 27, 30 and 33.
