VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

Section VII

- [REDACTED] I are customers of Huntington National Bank, which has offices in Cincinnati and Cleveland, Ohio. Interest and dividend income from our Huntington accounts is reported to us in combined statements, and the information provided in Columns B and C of this report is given on an aggregate basis.
- Dividends and distributions on most of the securities in IRA #1 were reinvested under a dividend reinvestment plan.
- All shares of Gables Residential Trust were cashed out as a result of a merger with Bulldog Properties Trust.
- Required minimum distributions based on 12/31/04 values of IRA #1 and IRA #2 were made automatically, on a monthly basis, by transfer from the Vanguard Prime Money Market Fund in IRA #2 to one of the Vanguard Money Market Funds held individually.
- Gains on mutual fund sales have been estimated.
- Certain Vanguard Prime Money Market Funds are linked to certain IRA accounts. Activity in the latter may be reflected in the former. Income dividends and capital gain distributions on all Vanguard funds were reinvested.
- The IRA identified as IRA # 3 in reports for prior years was terminated in 2004. The IRAs identified in prior years' reports as IRA # 4 and IRA # 5 are therefore designated herein as IRA # 3 and IRA # 4 respectively.
- IRA # 4 (Formerly IRA # 5) received cash settlement on 5/9, value code B, in Lucent Technol. litigation. As previously reported, the Lucent Technol. shares had been transferred from the IRA to Brokerage Account # 2 in 2004.
- Minimum distribution requirements with respect to IRA # 3 and IRA # 4 were satisfied by cash withdrawals.
- I carry liability insurance with USAA, a reciprocal insurance exchange. Pursuant to 16 USC Section 832(f), a portion of USAA's income is allocated to each member's Subscriber's Savings Account. I also received two cash distributions in 2004.
- Cincinnati Bell (formerly Broadwing, Inc.) maintains a Deferred Compensation Plan for Outside Directors, superseding a retirement plan for such directors. "Phantom shares" of Cincinnati Bell stock are credited to each outside director's account from time to time, and the director's interest in the account becomes vested after a prescribed period of service on the board. The value of the account at any given point depends on the market price of Cincinnati Bell stock. On 1/2 certain "phantom shares" were issued as actual shares, and those shares (value code K) were placed in Brokerage Acct # 2.
- All options to purchase Cincinnati Bell stock were under water at 12/31. According to a letter of 9/19/02 from the Conunittee, options that are under water at year end are not reportable.
