Re: Amendment to Financial Disclosures for Judge Andrew S. Hanen

Dear Sir/Madam:

In preparation of my 2005 report, I realized that in all prior years I have inadvertently failed to report residual money market reserve funds for the three (3) IRA accounts. Therefore, the IRA - Account # 1 should have been reported:

1	IRA - Account #1	C	Interest	M	T					
2	-Treasury Strips									
3	-Money Mkt Reserves									

IRA Account #2 should have included an additional sub-account styled:

“- Money Mkt Reserves”

IRA Account #3 should have included an additional sub-account styled:

“- Money Mkt Reserves”

The inclusions of these accounts does not change any of the Income or Gross Value reporting for any year. All of the prior values stated for these three (3) IRA accounts were accurately reported. The only change is the recognition that these residual money market sub-accounts exist within those three (3) IRA accounts.

For your convenience, I have enclosed three (3) copies of this correspondence for your records. Please let me know if you need any more information or if an additional filing is needed.

Yours truly,

A large, irregular black redaction mark covering the signature of Andrew S. Hanen.

VIII. ADDITIONAL INFORMATION OR EXPLANATIONS (Indicate part of Report.)**NOTES ON INVESTMENTS AND TRUSTS:****Part VI**

1. The mortgage listed on the property in Part VI was refinanced with the same mortgage company. Technically, the old mortgage was paid off and a new one was installed in its place.

Part VII

2. Retirement Account #1 listed on line 34 of last year's report and on line 61 of this year's report was rolled over from its 401(K) status to IRA status on June 21, 2005. The funds initially remained invested in Ret. Gov. MM, but in the new IRA status. On October 18, 2005, they were reinvested in the following: Short Term Bond Fund, Ginnie Mae Fund, Mortgage Security Fund, Marshall Bond Fund, Pax Balanced Fund, a Bank CD and Cash Reserves. All are still under the same brokerage firm umbrella. Those transactions are detailed in Section VII.

3. Retirement Account #2 listed on line 36 of last years report and line 72 of this year's report was changed by the administrator of the plan from one investment firm to another (that transaction is listed on lines 73 and 74) and then eventually rolled over into IRA Account #3 listed on line 18 of last year's report and line 30 of this year's report. Specifically, on February 15, 2005, the Retirement Account #2 was changed by the Administrator from Guardian to Hartford. As a consequence, the funds went from Guardian MFS Gov. Fund to Hartford SEI Asset Fund. The funds remained invested in the SEI Stable Asset Fund until August 1, 2005 when they were rolled into the IRA Account #3 on (see line 75). Therefore, Retirement Account #3 no longer exists and will not appear on future reports. All of these transactions are detailed in Section VII.

4. The municipal bonds in Allen Texas on line 52 of last year's report and on line 90 of this year's report was exchanged by the issuer for an equal amount and number of the same bonds. This was done by the issuer, there was no gain or loss, and so this was not listed as a sale and repurchase.

5. The date of the appraisal for the SPI property listed on line 114 of Section VII and referenced in Section VI is April 25, 2005.

6. The money market aspects of IRA Account #1 (Part VII, line 3), IRA Account #2 (Part VII, line 29), and IRA Account #3 (Part VII, line 60) were inadvertently omitted from prior reports. A letter amending those prior reports has been sent by separate cover. The three money market sub-accounts are used to hold excess funds when a sale or deposit is made prior to reinvestment or to contain funds while they accumulate for further reinvestment. Their inclusion on this year's report or on the reports prior to this year does not alter any income or gross value code reporting for any of the respective IRA accounts.
