VIII. ADDITIONAL INFORMATION OR EXPLANATIONS

(Indicate part of Report.)

VII.

Lines 22 & 23 show the unsold lots in my Residential Subdivision at the end of the reporting period with an estimated value for those unsold lots on Line 21. There will be no income produced by the remaining lots in inventory unless and until they are sold.

Lines 33 through 35 were purchased in 2003 in my individual retirement account at a brokerage firm. These purchases should have been reported on my 2003 report. I have amended my 2003 report by separate letter.

Line 36 through 60 - This is a second IRA rollover account held at a brokerage house. It was opened after the partial sale of 1st American stock that was made in the first IRA rollover account. I have a money manager who invests this account, thus, it is designated "IRA Managed Rollover".

Lines 61 through 91 - As I have noted for several years, I may own oil and gas interests which I inherited or obtained otherwise and of which I have no records. All income-producing interests have been included in my reports. As leasing activity occurs, I add them to my report.

Line 110 - A [REDACTED] is the trustee and beneficiary of Trust #1. The Mineral Interests listed at lines 131 through 134 are other fractional mineral interests under the same tracts that are listed under [REDACTED] assets not owned in trust.

Line 134 - A [REDACTED] is trustee of Trust #2. This trust has been included in my reports in prior years because another [REDACTED] was a beneficiary of the trust. In 2002, a final distribution was made to the trust beneficiary from the trust and therefore the trust assets are not included in my 2004 report.
