VIII. ADDITIONAL INFORMATION OR EXPLANATIONS (Indicate part of Report.)

NOTE: We have tried to keep all items in Section VII listed in the same order as previous report with new items being placed at the end of the list. The exception is the IRA accounts--buy and sell in the IRA accounts has remained within the IRA account setup.

If you see a stock listed again on the report, it is because it was purchased through a different brokerage firm.

ALSO NOTE: Because of the many buys and sells in the 2004 report, some additional buys are NOTED in this report.
