VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

Explanation For Section III B:

██████████ non-investment income is paid to her as a commission as one of three trustees; she is not a beneficiary of the trust, either as to income or distribution of corpus. This is a private testamentary trust in which ██████████ has no property interest now or as a remainder man. The corpus of the trust never was and never will be derived from the assets, income or activities of the filer ██████████. The filer cannot expect to derive a benefit from the trust income or corpus. The service of ██████████ as a trustee, and commissions earned are the sole financial interest and responsibility of ██████████. Neither the filer nor the ██████████ has filed any ██████████ tax return with the trust and the filer has no knowledge of the property or corpus of the trust. Finally, ██████████'s annual commission is not based upon the level of profitability of the trust property.
