Re: Calendar Year 2003 filing

Dear Committee:

This letter will respond to the Committee's letter of August 25, 2004, requesting additional information concerning my 2003 financial disclosure report.

The second paragraph of your letter notes two errors in Part VII of my report. I have attached a revised Part VII that corrects these errors.

The third paragraph of your letter concerns certain assets that were listed in Attachment A to my response dated June 19, 2003, but that were not listed in my 2003 report. The explanation for this fact can be found in Note 3 of Part VIII of my 2003 report.

Please let me know if you require additional information. As requested, I have provided the Committee with three copies of this letter.

VIII. ADDITIONAL INFORMATION OR EXPLANATIONS

(Indicate part of Report.)

Note 1: Trust #1 is a [REDACTED] trust that holds our personal residence and automobiles. Other reportable assets held by the trust are included separately in Part VII. Trusts 2-5 are college education trusts that hold the assets listed below each trust.

Note 2: This year's disclosure form includes life insurance policies that inadvertently were omitted from last year's disclosure. These policies were purchased by [REDACTED] on the lives of [REDACTED]. Because [REDACTED] is listed as one of the owners of these policies, they have been included in this Report.

Note 3: I was appointed to the bench last year. My nomination Financial Disclosure Report was dated 3/14/03 and included [REDACTED] investment partnership in Part VII, with assets listed in the names of three account managers (see Part VII Lines 23-25 of last year's report). After receiving a request for clarification from the Committee, I amended the Financial Disclosure Report with a letter dated July 19, 2003 that attached a list of all stocks owned by the [REDACTED] partnership in the accounts managed by the three investment advisors.

[REDACTED] liquidated her interest in the [REDACTED] partnership before I was sworn in on July 31, 2003. She invested the money from the liquidation in mutual funds listed in this Report. In liquidating her interest, the partnership did not sell a portion of every stock it held, but instead sold selected stocks until it had realized the funds necessary to liquidate [REDACTED] interest. Thus, many of the partnership stocks listed in my July 19, 2003 letter were not sold by the partnership and presumably are still owned by the partnership for investment purposes. I have not listed these stocks in Part VII because my wife no longer has an interest in the partnership that owns them, and I have not shown transactions for them because they were not sold when [REDACTED] interest was liquidated. I have shown transactions in Part VII of this Report only for the stocks that were actually sold to liquidate [REDACTED] interest.

In collecting information for this report, I learned that some of the stocks sold to liquidate [REDACTED] interest were purchased by the partnership either after or shortly before the 3/14/03 date of my nomination Financial Disclosure Report. I was not aware of these stocks when I filed my July 19, 2003 letter, so they are not included in the attachment to that letter. For these stocks, I show both the purchase and sale in Part VII of this Report.

The stock transactions described above are shown on lines 69-195 of Part VII of this Report and are organized in three groups reflecting the partnership's three investment advisors. This way they can be compared more easily to the attachment to my July 19, 2003 letter which was also organized by the three investment advisors.
