Dear Judge Wallace:

This committee reviews Financial Reports.
Committee member has reviewed your 1988 Report and has commented
the following:

Position,
Major Advisor on Legal Systems and Judicial Administration of
Asia Foundation. The nature of that entity and the extent of
functions that you perform in connection with it cannot be
ascertained from the entry in your report. It is clear,
nevertheless, that you receive substantial non-investment income
from the organization. Your attention is invited to the
Canon Conduct
regulations, as well as to Advisory Opinions 10, 30 and 62.

Because your position in this organization may conflict with
Code of Conduct, it is requested that you furnish the
Committee with additional information reconciling your position
with the proscriptions of the Code.

In Section VII, line 9, the value code used is incorrect.
monetary ranges for the applicable value codes (J-2) are set
forth at the end of Section VII on the Report form. In future
reports, please use the proper codes.

May we have a response within 30 days, in three copies, with
copy to the clerk of your copy, with requested.
Thank you for your cooperation.

Sincerely,

John H. Pratt
Chairman

Dear Judge Pratt:

I have reviewed your letter dated July 31, 1990. You raise two questions pertaining to my status as Senior Advisor on Legal Systems and Judicial Administration for The Asia Foundation.

Your first question asks for information about the "nature" of The Asia Foundation. The Asia Foundation is a private American non-profit organization incorporated under the laws of the State of California. For over 30 years it has been assisting institutions, organizations, and individuals in Asia and the Pacific in ways that contribute to their development, and to the long-term foreign policy interests of the American people. A principal emphasis in the Foundation's program is the promotion of legal institutions and procedures that provide safeguards for the human rights of citizens of countries in Asia and the Pacific.

Your second question asks for information about "the extent of the functions" that I perform. Primarily, I consult with judges and others in Asia and advise The Asia Foundation in programs to improve the administration of justice in Asian countries. At times, I also give lectures or teach while in Asia.

You have kindly called to my attention the proscriptions of the Code. I do not believe my service to The Asia Foundation violates the Code.

Very truly yours,

J. Clifford Wallace

Dear Judge Wallace:

This Committee reviews Financial Disclosure Reports. A Committee Member has reviewed your 1989 Report and has commented on the following:

In Section IV, lines 3 and 5, you have reported gifts of transportation, food and lodging received from the Liberty Fund and the Anglo/American Exchange. Please provide additional information regarding the sources and circumstances of the gifts.

In Section VII, line 8, Subsection D, you included the purchase of a second home. Real property which is held as an investment or for the production of income should be listed in subsections (A-C) to disclose its description (city or county and state in which the property is located), income and value. In the event this is a second personal residence or a non-investment property, you are not required to disclose any information. Please provide the Committee with clarification of your interest in this property.

May we have a response within 30 days, in three copies, with information requested. Thank you for your cooperation.

Sincerely,

Dear Judge Cook:

I have reviewed your letter dated October 21, 1991, pertaining to my 1989 Financial Disclosure report.

Section IV, lines 3 and 5 - transportation, food, and lodging received from the Liberty Fund and the Anglo/American Exchange:

Liberty Fund - this is a tax-exempt, private operating foundation established to encourage study of the idea of a society of free and responsible individuals. It conducts conferences (for people from all walks of life), publishes books, and produces films. [redacted] and I were invited to attend. This program was entitled "Law, Liberty, and Responsible Individuals." They paid our transportation, food, and lodging while we attended the conference, and I assume they did this for every participant.

Anglo/American Exchange - I was selected by Chief Justice Rehnquist to be part of the American team of judges at this event, which occurs every three to four years. It is a well-known conference. I do not know the source of the money, but I am sure that Chief Justice Rehnquist, or Justice O'Connor our team leader, could enlighten you. Do you wish further information?

Section VII, line 8, Subsection D, line 8: This home was not purchased for investment purposes or for production of income. This is a second personal home. Because I was not sure whether or not it should be in the report, I decided to include it to be on the safe side. I will not include it in the future.

Very truly yours,
