Re: Calendar Year 2003 Filing

Dear Judge Lisi:

I write in response to your letter of July 27, 2004 regarding my 2003 Financial Disclosure Form. First, let me apologize for this tardy response. I was under the mistaken impression that my response to your letter was due within 60 days, but to my chagrin, I recently discovered that my response was due within 30 days. I regret this oversight and do hope that my tardiness has not caused your Committee any inconvenience.

As an initial matter, I thank you for pointing out that I am not required to report any mortgage or liability secured by real property. Please be advised that the "Connecticut Water Company" loan listed on my Disclosure Form was an unsecured loan.

As to the remainder of your comments, I provide the following responses in lieu of an amended report:

1. Part VII, p. 1, line 16: Guilford Savings Bank. The information requested is as follows: Column D(1): "Opened Account"; Column D(2): "March 1"; Column D(3): J.
2. Part VII, p. 3, lines 46, 47, 51, and p. 4, line 66, listed investments that were not listed on my 2002 report:

Line 46 lists a Janus Olympus account for Trust # 1, which was not listed on the 2002 report. However, the 2002 report listed a Berger Growth Mutual Fund under Trust # 1 (line 49) and Berger's funds were taken over through merger by the Janus funds on April 17, 2003. There was no gain, no loss, no sale or purchase. Berger's funds simply went out of existence and unless one chose to withdraw one's investment, one's investment was simply placed into a Janus fund one's choosing. That Trust chose Janus Olympus. I

have amended Columns D(1)-(3) to indicate that the investment was acquired by "merger" on April 17 with a value code of K.

Line 47 of the 2003 report lists "Fidelity Money Market," which was simply another way to state "Fidelity Cash Management Account," which was the name shown on the 2002 report (line 51). They are the same asset. To avoid confusion, I have changed my 2003 report to return to the nomenclature of the 2002 report – that is, "Fidelity Cash Management Account."

Line 51. This is the same issue as Line 47 above, and I have changed my 2003 report back to "Fidelity Cash Management Account" to avoid further confusion. (See 2002 report, line 55).

Line 66 of the 2003 report lists Neurogen Common Stock as having been sold in Trust # 3. You indicate that this asset was not listed in my 2002 report, but I believe it was. Neurogen Common Stock was listed on Line 63 for Trust # 3 on my 2002 report. Therefore, I do not think that any further information is required. Please note that the stock was sold on August 1, 2003, as indicated in Column D(1) on my 2003 report.

3. Part VII, page 1, lines 4,5 and 9 and p. 3, line 43, omitted income amount codes and type codes. I apologize for that oversight. The income amount codes and types codes for those investments should be as follows:

Line 4: Neurogen Corp. Common Stock, Column B(1): Blank; Column B(2): None.
Line 5: Janus Mercury Mutual Fund, Column B(1): A; Column B(2): Distribution.
Line 9: Conn. Bond due 12/15/03, Column B(1): A; Column B(2): Interest.
Line 43: Janus Mercury Fund, Column B(1): A; Column B(2): Distribution.

4. Part VII, p. 3, lines 39, 41, 43, 46, 47, 51, and p. 4, line 55 of my 2002 report, which you indicate listed assets not listed on my 2003 report.

Line 39 listed "Janus Enterprise Mutual Fund" for Custodian Account #1 on my 2002 report. All of the investments in that custodian account were moved into Trust # 4, a trust that was newly created in 2003 for that purpose. The Janus Enterprise Mutual Fund investment from line 39 in the 2002 report appears on line 64 of my 2003 report. That investment was sold on October 20, 2003. I assume that no other information is required as a result of this change in the form of ownership of these assets, but if I am in error, please let me know.

Line 41 listed Fidelity Cash Management Account for Custodian Account # 1 on my 2002

report. The investments in that custodian account were moved into Trust # 4, a newly created trust, in 2003. The Fidelity Cash Management Account investment from line 41 in the 2002 report appears on line 63 of my 2003 report, listed as "Fidelity Money Market Fund," a change in nomenclature only. I will change my 2003 report back to the 2002 nomenclature of "Fidelity Cash Management Account."

Line 43 listed Custodian Account # 2 on my 2002 report. During 2003, Custodian Account # 1 was terminated and those assets moved into Trust # 4. See above. As a consequence, Custodian Account #2 on my 2002 report became Custodian Account #1 and it is shown on Lines 38-43 of my 2003 report.

Line 46 listed "Fidelity Cash Management Account" for Custodian Account # 2 on my 2002 report. During 2003, Custodian Account # 1 was terminated and those assets moved into Trust # 4. See above. As a consequence, Custodian Account #2 on my 2002 report became Custodian Account #1 on my 2003 report and the Fidelity Cash Management Account is shown on Line 39 of my 2003 report as "Fidelity Cash Reserves." The "Fidelity Cash Reserves" and "Fidelity Cash Management Account" are one and the same, and I have changed the 2003 report to use the 2002 report nomenclature of "Fidelity Cash Management Account."

Line 47 listed "PQ Corp. Common Stock" held in Custodian Account # 2 on my 2002 report. During 2003, Custodian Account # 1 was terminated and those assets moved into Trust # 4. See above. As a consequence, Custodian Account #2 on my 2002 report became Custodian Account #1 on my 2003 report and the PQ Corp. Common Stock is shown on Line 42 of my 2003 report.

Line 49 of my 2002 report listed "Berger Growth Mutual Fund" for Trust # 1. As noted earlier, the Berger funds were taken over through merger by the Janus funds on April 17, 2003. There was no gain, no loss, no sale or purchase. Berger's funds simply went out of existence and unless one chose to withdraw one's investment, one's investment was simply placed into a Janus fund one's choosing. Trust # 1 chose Janus Olympus, which is shown on line 46 of my 2003 report.

Line 51 of my 2002 report lists "Fidelity Cash Management Account" for Trust # 1. That same investment is shown as "Fidelity Money Market" on line 47 of my 2003 report. To avoid confusion, I have changed the 2003 report to return to the nomenclature of the 2002 report - that is, "Fidelity Cash Management Account."

Line 55 of my 2002 report lists "Fidelity Cash Management Account" for Trust # 2. That same investment is shown as "Fidelity Money Market" on line 51 of my 2003 report. To

avoid confusion, I have changed the 2003 report to return to the nomenclature of the 2002 report – that is, "Fidelity Cash Management Account."

I trust that the foregoing responses adequately addressed your comments. If you require further information, however, please do not hesitate to contact me. Once again, I apologize for my delay in responding to your letter.
