VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

From Part Vii - Investments and Trusts

1. This is my old SBC stock plus my old AT&T stock. After merger the surviving corporation took the name "AT&T Inc." and I have a total number of shares in this new AT&T Inc. Income and value of both are combined.

2. Deleted as per 9/25/01 Committee Letter.

3. We have prepared 3 detailed attachments entitled "Payor Update." One each for Texas, Kansas and Oklahoma are attached. They show the payor of royalty or other income, the counties and the years covered. We include 1999 through 2003 to trace for the committee the relevant history as to the oil and gas interests which the oil companies frequently transfer. Behind these 3 "Payor Updates," there is a detailed "Schedule A" listing the mineral interests, overriding royalty interests, and term royalty interests comprising the oil and gas interests of my spouse, with legal descriptions. This is a breakdown of the oil and gas interests in Texas, Kansas and Oklahoma owned by [redacted] and covered by the "Payor Updates" to which Schedule A is attached. We trust that the general listings in the "Payor Updates" will clarify the reporting of the oil and gas interests.
