VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

Note 1: Trust 1 is a [redacted] trust that holds our personal residence, automobiles, and similar assets. Other reportable assets held by the trust are included separately in Part VII. Trusts 2-4 are college education trusts that hold the assets listed below each trust. The assets of Trust 4 were deemed transferred to [redacted] when he was married in 2007.

Note 2: The property listed on lines 8-14 is rental property owned by El Dorado Investments, LLC, a family investment business owned collectively by five individuals and the estate of a sixth. Rent is paid to the LLC, mixed with rental income from other LLC properties, and used to pay expenses for the various properties owned by the LLC and general expenses of the LLC. After expenses are paid, income is attributed to the LLC owners for tax purposes, and some distributions are made to owners. Total income attributed to me from the LLC for 2007, and the value of my ownership interest in the LLC, are shown on line 7. I receive no rental payments directly from any of the properties listed on lines 8-14. My 2006 disclosure erroneously listed on line 13 a property in Logan, Utah. I learned during preparation of my 2007 disclosure that El Dorado does not own this property. The tenant which leases all of the El Dorado properties (a [redacted] business owned by [redacted] leases the Logan property from another owner; the Logan property is not owned by El Dorado. I have therefore deleted the Logan property from this year's disclosure.

Note 3: My 2006 disclosure, at lines 39-40, showed a sale of this fund on 12-22 and no remaining value. This was an error. In preparing this year's disclosure, I learned that Morningstar reinvested in this fund on 12-22, the same day as the sale, and that I therefore retained value in this fund (category L) as of the end of 2006. Line 39 of this year's report shows my current holdings in this fund and activity during 2007.
