VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

The Williams College Pooled Income Fund #3. I have set forth the December 31, 2010 market value of my payment into the Fund. I receive the income from the Fund, but upon my death it goes to Williams College. The value to me would be the value of my life interest.

During 2006 I transferred six tax exempt bonds into a revocable trust of which I am trustee and over which I have complete powers of disposition. The purpose is to ensure that upon my death, as in my lifetime, the assets will be available to help pay for [REDACTED] education. Because I retain complete control over the assets I have not listed them separately as part of a trust. As the assets have been used to pay college expenses some have been sold. The remaining assets are listed in lines 9-14 of Part VII.

The [REDACTED] Trust reflects that shares of IBM and Proctor and Gamble are still part of the assets even though my April 6, 2010 Report shows that they were "Sold" in 2009. The Report should have stated "sold (part)" and is corrected accordingly. This explains the continuing presence of these assets as part of the [REDACTED] Trust.

In the Trust and Management Accounts the Blackrock Money Market and Liquidity Funds are the equivalent of cash. The Trustee or Fund Manager purchases and sells (deposits and withdraws) money from the Funds frequently. I have not listed each deposit and withdrawal and have set forth the December 31, value ranges in the Management Account.

Line 62 of Part VII is simply a header for the assets listed in lines 63 to 100.
