VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

In response to inquiry letter dated September 4, 2007:

Original lines 53-56 are now 52-55...This investment IRA account was originally an inheritance from [REDACTED] and was not reported as such the previous year.

Original lines 59-63 are now 58-62...This investment account was originally an inheritance from [REDACTED] and was not reported as such the previous year.

Original line 68 is now line 74...This account is a Georgia Higher Education savings plan for [REDACTED] with the reported as custodian. This account was omitted in the previous year filing(the year in which it was created). The value of the account at the end of 2005 was code K (\$15,001 to \$50,000).

Original lines 79-82 are now 85-88...Line 80 was previously listed in the wrong account. It was listed as an asset of the Invest Financial rollover IRA in error. It is now listed where it should be as an individual stock on line 86. Line 79, 81, and 82 are new accounts that have been corrected to include the transaction information.

Original line 99 is now line 105...The wrong code was entered on the filing. The code should have been an R for the purchase cost, not the appraisal value.

Original line 25 is still line 25...The purchase date has been added to column D-2.

Original line 2 is still line 2...The value at year end has been removed due to merger.

Original line 14 is still line 14...The word partial was added to column D-1, although it was in column D-5 for the description.

Original line 21 is still line 21...This account was listed incorrectly last year. It belongs as part of Invest Financial (IRA) not the Invest Financial (Rollover IRA).

The year ending value was removed due to sale of stock. Original line 46 is the duplicate account that was removed and is line 21 now.

Original lines 72, 84, and 88-91 are now lines 78, 90, and 94-97...The year end value has been removed due to sale.

Line 88 has been added. This was omitted from the filing in error.

Line 34 from the 2005 filing report was reported in error. This was a carryforward error and the stock was not part of the IRA for 2005 or 2006.
