VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Not listed:

Part 1, line 6: The assets within Trust Nos. 3 and 4 are not reportable, as they fall within the exception set forth in Section 102(e)(1)(E) of the Ethics in Government Act of 1978. These trusts were created by others, for the benefit of third parties. The filer's designation as a "trustee" for these trusts is consistent with the controlling Canon of Judicial Conduct, No. 4(E). The filer does not have "fiduciary authority" over the assets within the trusts and, in fact, the filer has no knowledge of the contents of these trusts or control over investment decisions. Those matters, per the governing trust documents, are within the sole discretion of the beneficiary of each trust. The filer's sole obligation as "trustee" is, in the event that the beneficiary wishes to withdraw an amount in excess of the value permitted by the trust documents, to cast a vote as to whether the excess withdrawal should be permitted. If the filer and the filer's "co-trustee" both object to the excess withdrawal, then the withdrawal value set forth in the trust document remains controlling.

The filer has a contingent interest in a partnership containing real estate assets. At such time as the contingency is removed, those items will be added to the filer's report.
