VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII of this report has been restructured by account, with assets listed in brokerage order. Where necessary to account for name/symbol changes or multiple entries of the same investment, corresponding line numbers in the prior report have been included in Column D(5) for ease of review. This is not indicative of reportable transactions.

Part VII, lines 213-217: These entries represent expanded reporting of duplicate entries on lines 6, 18, 30, and 72 of the initial report. This expanded reporting is not indicative of new holdings or reportable transactions.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.

Part VII, lines 10, 22, 59, 62, 77, 78, 103, 114, 120, 125, 126, 128, 130, 139, and 144-173 of the initial report are not reportable in this reporting period. There are no corresponding reportable transactions.
