VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Upon assuming the role of a United States Magistrate Judge, I ensured my investments were unlikely to raise a need for recusal and instructed my financial advisor to avoid a broad range of investments that had a high likelihood of creating the need for recusal at some point in my judicial career. I have now further instructed my financial advisor to limit my holdings to a small number of investments that broadly track market index funds and to hold those investments, without selling them or exchanging them for similar such funds.
