VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, Lines 16 and 17

From inception until October 7, 2019, all investments in this 529 account have been in the Growth Age-Based Track. On October 7, 2019, we moved all existing investments and future investments to the Moderate Growth Age-Based Track. For these investment vehicles, College Savings Iowa invests in lower risk investments as the beneficiary ages and thus comes closer to attending college. In prior annual reports, I have listed the portfolio names used by College Savings Iowa as the beneficiary ages, rather than the relevant age-based track. It appears that listing the age based track is more appropriate, and permits me to disclose the change from one track to another as shown in this report.
