VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Capital gain information has been provided based on available information. The calculation of capital gains for 529 plans (Part VII) are estimates based on account history; precise information is not available. Sales of securities in retirement account on 02/23/18 were reinvested in different funds in the same account, and the calculation of capital gains for such sales is not possible due to the absence of information from the account administrator (Part VII). Certain investments shown on the previous year's disclosure were below the reporting threshold for this reporting period (Part VII).
