FINANCIAL DISCLOSURE REPORT (cont'd)

VIII. ADDITIONAL INFORMATION OR EXPLANATIONS (Indicate part of Report.)

In late 1997 I was assigned one of a series of product liability cases brought by persons who contracted E-coli poisoning from drinking Odwalla apple juice. In the case assigned to me, the juice was purchased at a local Starbucks, and Starbucks was also a named defendant (as a product seller) along with Odwalla (the manufacturer). I had my bailiff call all counsel to indicate my three minor children each owned 40 shares of Starbucks stock and I would have to recuse myself under Canon 3(D)(1)(3) unless all parties specifically agreed to have me retain the case. All counsel later indicated they wished me to continue to participate in the proceeding and that stock ownership was not a factor to their clients.

IX. CERTIFICATION.

In compliance with the provisions of 28 U.S.C. § 455 and of Advisory Opinion No. 57 of the Advisory Committee on Judicial Activities, and to the best of my knowledge at the time after reasonable inquiry, I did not perform any adjudicatory function in any litigation during the period covered by this report in which I, my spouse, or my minor or dependent children had a financial interest, as defined in Canon 3C(3)(c), in the outcome of such litigation. (except in the matter discussed above in section VIII.)

I certify that all information given above (including information pertaining to my spouse and minor or dependent children, if any) is accurate, true, and complete to the best of my knowledge and belief, and that any information not reported was withheld because it met applicable statutory provisions permitting non-disclosure.

I further certify that earned income from outside employment and honoraria and the acceptance of gifts which have been reported are in compliance with the provisions of 5 U.S.C.A. app. 4, § 501 et. seq., 5 U.S.C. § 7353 and Judicial Conference regulations.
