VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, line 66 -- I inherited an interest in this real property many years ago, but did not report it on prior financial disclosure reports because it is not held for investment and is not income-producing. In 2019 I purchased another share in this same property, so I now hold a larger interest in the same property. The value of the purchase shown is what I paid for a second share of the property. The value of the property shown is the estimated value of my total interest in the property. This property is difficult to appraise with any accuracy. The estimated value of the property shown is based largely on what I paid for a second share in the property, which price was set in part by reviewing listing prices of other comparable property in the area.
