VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, pages 4-5, 10, lines 2-28, 110-12 - The mutual funds and money market account listed are part of the reporting individual's law firm retirement account with RBC.

Part VII - With the exception of the entry on line 37, the retirement plans/investments that were rolled into or consolidated with others in the 2016 report have been deleted and only the new/combined plans/investments are listed.

Part VII, page 6, line 37 - The funds in this retirement plan/account were thought to have been transferred into or merged with the retirement plan/account of a successor entity but a check again -- now -- reveals otherwise. As such, the plan/account reported last year continues to be separately listed here.

Part VII, page 9, line 90 - Funds were added to this retirement plan on a bi-monthly basis via payroll deductions (hence the use of the word "various" in Column D(2)).

Part VII, page 9, line 91 - In addition to participating in the buyout disclosed in Part II, the requesting individual received a distribution from the Company at the end of the reporting period.

Part VII, page 10, lines 114, 116 - These mutual funds were inadvertently left out of previous years' reports - something that was just discovered during the preparation of this report.

Part VII - The brokerage firm holding each mutual fund has been included so that commonly held funds can be differentiated.

Part VII - The names of mutual funds have been updated based on changes in them.
