VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

- 1) [REDACTED] ceased being a dependent in 2014 so [REDACTED] accounts/assets have been removed (lines 152-155, 163-166, and 169 of the 2013 report)
- 2) I have removed a municipal bond (Triborough Brdg & Tunn Auth) from the asset listing in this report. While it was listed in the 2013 financial report (line 62) based on a purchase on 1/11/2013, when I researched to see the disposition of this bond for the 2014 report, I learned that this purchase was cancelled shortly after it was made (by the entity that was then managing the account). In other words, I never owned this municipal bond.
- 3) I have removed PGMAX (Pimco Global Multi-Asset Fund Class A) from the asset listing in this report. In the financial report for 2012, I indicated on line 82 that this security was sold in part but I have since learned that it was sold entirely so should not have been carried over after 2012.
- 4) I have removed EWG (Ishares MSCI Germany) from the asset listing in this report. In the financial report for 2011, I indicated on line 186 that the security was sold in part but I have since learned that it was sold entirely so should not have been carried over after 2011.
- 5) I have removed EWJ (Ishares MSCI Japan) from the asset listing in this report. In the financial report for 2011, I indicated on line 191 that I had bought addl EWJ on 9/23/2011. I have since learned that this is incorrect. The transaction on 9/23/2011 was a sale of all EWJ. Therefore, EWJ should not have been carried over after 2011.
- 6) I have removed SPHIX (Fidelity High Income) from the asset listing in this report. In the financial report for 2013, I indicated on line 116 that I held this asset at year end. I was unable to find it in 2014 and contacted Fidelity to track this asset. It had been transferred to a different account and was sold on 11/22/2013.
