VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Investments listed on lines 15 and 16 of Part VII also produce other passive income reported on return because of partnership form and make annual cash distributions (which do not constitute sales or redemptions of any of the interests held).

Proceeds from the dispositions reported on lines 49 and 50 of Part VII were deposited in the cash accounts listed on lines 1 and 47. The deposit to the account listed on line 1 caused the value code for that account to change. The funds in the cash account listed on line 47 were used for the acquisitions reported on lines 18, 24-45, and these transactions caused the value code for the account listed on line 47 to change as well.

The investment listed on line 54 of Part VII represents seller financing provided to the buyer in connection with the 2018 sale of an unimproved lot held as as a potential buildable lot. The financing was paid off on the date noted.
