VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Line 54. The investment in Strategic Advisors US Opportunity Fund, shown on line 73 of last year's report, does not appear on this year's report because it was sold on 8/8/14. Last year's report mistakenly omitted the full sale. Had the full sale been reported, the value code would have been "K" and the gain code "D."

Line 229. The "redemption" is a portion of a required distribution from this inherited IRA. I have reported this as a "redemption" because that is the term T Rowe Price uses on its statement.

Line 231. This is an inherited IRA. Column B is not completed because it cannot be. The TIAA-CREF statements disclose no information about income, and TIAA-CREF personnel have told me that the information is unavailable because the investments are "annuity-based." Similarly, information about gain or loss from "sales" (the distributions I am required to take) is not reported in Column D because TIAA-CREF personnel have told me that information about gains or losses is unavailable.
