VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Re Part VII ("Investments and Trusts"), lines 11 through 14 (entries for "Estate"):

This concerns the estate of a deceased family member. The estate is in the process of closing and is attempting to locate, identify and recover any assets to which it may have a claim. As reported in previous years, the estate is attempting to ascertain the deceased's interest, if any, in stock of former "Bell" companies. The estate learned of the deceased's interests in AT&T share that had not been previously identified and redeemed. The interest earned and estimated value of that stock is reported at Part VII, line 12 of this report. The estate intends to redeem those shares.

The estate has learned that one or more deposit accounts in which it might have an interest (the "Fifth / Third Bank deposit accounts") may have been turned over to the State of Illinois by the bank. The estate is attempting to identify and recover any proceeds to which it may have a claim. The value reported on line 13 represents the estate's best estimate of the possible value of the account(s) based on scattered and incomplete information, and this figure does not represent the actual value, which is not known. The estate is not optimistic that funds attributable to this account(s) will be recovered.

The estate also is attempting to ascertain the deceased's possible holdings, if any in common stock of the former NYNEX Corp, US West Corp., and Bell South Corp./AT&T. At this time, the estate is not aware whether in 2020 or thereafter it held/holds any interest in such stock or other equities other than the common stock identified at line 12.
